Circular

**Sub: Launch of the "GSDL Data Portal" for 24x7 on-line access by GNCTD Departments/ Agencies for visualization/ editing of geospatial data and download of map products in Print Document Format (PDF)**

A "GSDL Data Portal" (available in <https://gsdl.org.in/>) has been developed and operationalised by GSDL for providing on-line access to GNCTD Departments/ Agencies **free-of-cost** for visualization and download of GSDL's geospatial data sets and map products.

2. Primary objective of the GSDL Data Portal is to provide on-line access to GSDL's maps and geospatial data by authorized end-users from the Departments/ Agencies of GNCTD for visualization, download and editing in support of evidence-based planning and decision-making.

3. By utilising the above Portal, while all the data sets of GSDL (approximately 550+ data layers along with corresponding attributes) could be interactively displayed and queried on-line from the end user's computer/ desk-top/ laptop, most-often used map products could also be selected and downloaded in Print Document Format (PDF) for subsequent use and reference in the end user's office. In order to keep the data sets and the GSDL Data Portal safe and secured, access to the Data Portal is initially available only to the authorised end users/ officials of the GNCTD Departments/ Agencies for visualisation and editing through issue of user-specific credentials. **The credentials are delivered as One-Time-Passwords (OTP) for visualisation on user's registered mobile phones whereas those for editing are delivered on governmental email-IDs.**

4. To facilitate on-line data updation by the GNCTD Departments/ Agencies, editing rights are provided to the concerned Departments/ Agencies for on line geometric/ attribute data updation apart from other functionalities like user-driven map customization & download; on-the-fly framing and implementation of interactive queries; and on-line submission of user requests for delivery of GSDL data sets and map products.

5. A copy of the **GSDL Data Portal User Manual** may be accessed on-line for download from the GSDL data portal website (<https://gsdl.org.in/data>) to help the user in accessing, visualizing and editing GSDL data sets and downloading map products in PDF for printing as per his/ her choice/ requirement.

6. In order to aid decision-making by utilizing the data available on the Portal and to update it on-line from the Department, it is necessary that a Departmental Nodal Officer is identified who could be provided with the required log-in ID and password by GSDL to generate further log-in IDs/ passwords for data visualization and editing for other Departmental officials/ users. In the interest of ensuring data quality and security of the Portal, it is advised that log-in IDs/ passwords for data updation/ editing are issued to Departmental officials/ users only with the approval of the Head of the Department (HoD).

7. It is therefore requested that a Departmental Nodal Officer may be identified for the GSDL Data Portal and his contact details (i.e. Name, Designation, Department/ Agency Name, Mobile No., Government mail-ID) communicated to GSDL on the email-ID [gsdlportal@yahoo.com](mailto:gsdlportal@yahoo.com) for issue of the Nodal Officer's log-in ID and password.

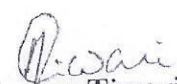

8. A Help Desk has been set up in GSDL with the following officials who could be contacted for technical support in resolving issues relating to its accessibility and use:

- a) Shri S. S. Mitra, Developer ([gisdev1.gsdl@gmail.com](mailto:gisdev1.gsdl@gmail.com), m-9528346085)
- b) Shri Devendra S. Nagpure, Developer ([gisdev2.gsdl@gmail.com](mailto:gisdev2.gsdl@gmail.com), m-7972441721)

For any further clarification in this regard, Shri P. S. Acharya, CTO, GSDL may be contacted on mail-ID: [psa@nic.in](mailto:psa@nic.in) or m- 9818879402.
