ORDER

All District Social Welfare Officers are hereby informed that, as in the case of Old Age Pension beneficiaries above 70 years, Department has decided to conduct the verification of remaining beneficiaries under 60-69 years through the Anganwadi Workers. Beneficiaries of Handicap Pension Scheme will also be verified at the same time. The verification proforma for the same is attached.

1. In this regard, all District Social Welfare Officers are required to conduct the verification constituency-wise. Please note that the verification has to be **concluded by October 31, 2014**.
2. The data so obtained should be updated simultaneously, Aadhaar numbers entered directly on the DBT portal. Also, the data should be provided to FAS, Hqrs on a weekly basis.
3. Prior to detailing the Anganwadi Workers for verification, explain the verification proforma to them. Special attention should be given to the definition of 'Family' as per the respective scheme rules.
4. Anganwadi Workers should also be trained how to record Aadhaar numbers or Enrollment numbers. It is important that they should be recorded correctly. Aadhaar number is of 12 digits, whereas Enrollment number is of 28 digits, including the date and time of enrollment. It is also essential that the photocopy of Aadhaar number should be very crisp and clear so that the document can be scanned through bar code reader.
5. It also needs to be emphasized upon Anganwadi workers that in case of persons reported dead or shifted from the area, the name, address, signature and relationship of the person giving the information should also be taken down. There have been many cases of false death reporting and this would help minimize it.
6. The workers need also to be instructed to pick out underage cases and bring them to your notice.
7. Anganwadi workers should also be informed that false reporting or showing not found status of beneficiaries found living in that area or any other complaint against them would invite strict penal action against them.
8. District Officers are also required to collaborate with concerned DCs to open Aadhaar Enrollment Centers in the District Offices so that left-out persons can be enrolled as well.

This is issued with prior approval of Competent Authority.
